*Divisional Application*

## **REMARKS**

This Preliminary Amendment is directed to the accompanying divisional application of pending U.S. Application No. 09/876,590 filed June 7, 2001 (the "parent '590 application"). In an Office communication dated July 3, 2002 in the parent '590 application, the pending claims were subject to restriction and/or election. Restriction was required between Group I comprising Claims 1-33 and 41-49, and Group II comprising Claims 34-40. Claims 1-33 and 41-49 were elected, and Claims 34-40 were withdrawn from further consideration. This divisional application is directed to taking up the non-elected claims (Claims 34-40) for further prosecution.

This Preliminary Amendment is intended to result in a set of pending claims that correspond to the claims 34-40 pending in the parent '590 application. Thus, the claim amendments are for the purpose of greater clarity in wording and also to provide claims in this application that correspond to claims that in the parent case but were withdrawn and not allowed. The numbering of the claims parent '590 application are preserved in this application.

Entry of this Preliminary Amendment is respectfully requested. The present application discloses and claims only subject matter disclosed in the parent application. It is submitted that the claims pending in this application after entry of this Preliminary Amendment are in condition for allowance.
